No. USGS is releasing sampling data taken this summer from a Pavillion, wyo. area monitoring well. Haven't seen their release but am told it will be just data. EPA will be releasing data soon, not sure when.

Subject: Question

Hey Rich--

Dan Frosch with the NY Times here.

You guys releasing anything on fracking today?

For some reason this date stuck out in my mind.

When you get a sec...

Thanks,

Dan
